

P2-17: Delivery of Children to, and Collection from Education Service Premises

Under the *Education and Care Services National Regulations* the approved provider must ensure that policies and procedures are in place for the delivery of children to, and collection from, service premises and take reasonable steps to ensure those policies are followed. (ACECQA 2021).

Arrival and departure times are planned to promote a smooth transition between home and our Preschools. The opportunity to build secure, respectful and reciprocal relationships between children and families is promoted during arrival and departure times where educators have the opportunity to engage in conversations with families and support each child's well-being.

To ensure the health and safety of children at Queanbeyan & District Preschool Association (QDPA), our *Delivery of children to and collection from Education Service Premises Policy* is strictly adhered to, allowing only nominated authorised persons to collect children at any time throughout the day. The daily sign in and out register is not only a legally required document to record children's attendance as per National Law and Regulations but also used as a record of the children on the premises should an emergency evacuation be required to be implemented.

PURPOSE

QDPA aim to ensure the protection and safety of all children, staff members, and families accessing the Preschools. Educators and staff will only release children to an authorised person as named by the parent/guardian on the individual child’s enrolment form.

SCOPE

This policy applies to children, families, staff, Approved Provider, Nominated Supervisor, management and visitors of the Service.

IMPLEMENTATION

Guidelines for delivery and collection of children are put in place to ensure the safety and wellbeing of each individual child.

As part of our Risk Management process, our Service *may* introduce explicit control measures to minimise the risk of spreading infectious diseases/viruses such as coronavirus (COVID-19). Our risk assessment may result in changes to our *Delivery of children to and collection from Education and Care Service Premises Policy* and are based on mitigating risks following the recommendations made by the Australian Health Protection Principal Committee (AHPPC), Safe

Work Australia and the Department of Health. Control measures and changes to policies are reviewed in consultation with staff members and communicated clearly to parents, families and visitors.

THE APPROVED PROVIDER/NOMINATED SUPERVISOR/RESPONSIBLE PERSON WILL ENSURE:

- adequate supervision is provided when children arrive and depart the service premises
- relevant educator to child ratios are adhered to at all times
- accurate attendance records are kept
- children only leave the education and care premises in the care of a parent /guardian or authorised person or in accordance with written authorisation as per Regulation 99
- enrolment records are kept for each child enrolled in the Preschool including the name, address and contact details of
 - any emergency contacts
 - any authorised nominee
 - any person authorised to consent to medical treatment or administration of medication
 - any person authorised to give permission to the educator to take the child off the premises
 - any person who is authorised to authorize the education and care service to transport the child or arrange transportation
 - details of any court order, parenting orders or parenting plan
 - authorisations for the service to take the child on regular outings
 - authorisations for the service to take the child on regular transportation
 - any medical management plan, anaphylaxis medical management plan or risk minimisation plan
- should any serious incident occur, an Incident, injury, trauma or illness record must be completed (see *Incident, Injury, Trauma and Illness Policy and Procedure*)
- in the case of a serious incident occurring, the regulatory authority must be notified within 24 hours through the [NQA IT System](#)
- all new educators and staff are provided with an induction to the Preschool including an understanding of this policy
- all educators and staff are provided with procedures and training on how they will verify the identity of an authorised nominee or a person authorised by the parent or authorised nominee to collect the child (including procedures of what to do when an unauthorised person attempts to collect a child).

ARRIVAL AT SERVICE

QDPA has an obligation to ensure the health and safety of employees, children and visitors in our workplace, so far as reasonably practicable. QDPA has implemented the following measures:

- any person who is displaying symptoms such as: fever, coughing, sore throat, fatigue and shortness of breath should not attend our Service under any circumstance
- all children need to be signed in by an authorised person. Note: the signing in of a child is verification of the accuracy of the attendance record. Information required on the register includes the child's name, the date and time they arrive and the signature of the person dropping off the child
- the parent/authorised nominee must also advise staff who will be collecting the child/children
- children are required to wash their hands upon arrival or use the hand sanitiser provided
- families will be reminded to sign their child/children into the Preschool and will be requested to do so immediately upon arrival to maintain compliance
- should families forget to sign their child/children in, National Regulations require the Nominated Supervisor or educator to sign the child in
- sign in sheets/attendance records are to be used as a record in the case of an emergency to account for all children present at the Preschool
- children are to be sighted by an educator before the parent or person responsible for the child leaves. This ensures that the educator is aware that the child has arrived and is in the building
- a child's medication needs, or any other important or relevant information should be passed on to one of the child's educators by the person delivering the child
- the educator will check that the family has completed an *Administration of Medication Record* and store the medication appropriately, away from children's reach
- in order for children to feel secure and safe, it is important that children and families are greeted upon arrival by a member of staff and have the chance to say goodbye to the person dropping them off. Saying goodbye helps to build trust, while parents/guardians leaving without saying goodbye could cause the child to think they have been left behind.
- a locker or shelf space will be made available to children and their families.
- in the case of a separated family, either biological parent is able to add a contact in writing unless a court order is provided to the Nominated Supervisor stating that one parent has sole custody and responsibility.

DEPARTURE FROM THE SERVICE

- Children may only leave the Preschool premises if the child leaves:
 - in accordance with the written authorisation of the child's parent/guardian or authorised nominee named in the enrolment record; or
 - taken on an excursion or on transportation provided or arranged by the service with the written authorisation of the child's parent or authorised nominee; or
 - given into the care of a person or taken outside the premises; or
 - because the child requires medical, hospital or ambulance care or treatment; or
 - because of another emergency (evacuation due to bush fire, flood, severe storm)
- in the case of an emergency, (because the child requires medical, hospital or ambulance care or treatment), where the parent or a previously authorised nominee (as indicated in the child's enrolment form) is unable to collect the child, the parent or person responsible for the child (as listed on enrolment form as having a parenting role) may telephone the service and arrange an alternative person to pick up the child. This contact must then be confirmed in writing to the Preschool immediately to authorise the release of the child (email, text or letter)
- parents/guardians are to advise their child's educator if someone different is picking up their child, both verbally and on the sign in/out sheet. This person is to be named on the enrolment form or added in writing to management as an authorised nominee or authorised person for the child.
- photo identification must be sighted by a Primary Educator before the child is released. If educators cannot verify the person's identity, they may be unable to release the child into that person's care, even if the person is named on the enrolment form
- all children must be signed out by their parent (or a person authorised by the parent) when the child is collected from our Preschool including each child's name, date and time they depart. If the parent or other person forgets to sign the child out, they will be signed out by the Nominated Supervisor or educator.
- Tablets/iPads used to sign children out of the service should be disinfected regularly
- parents/guardians or authorised person are requested to arrive to collect their child/children by the cessation of their program time
- no child will be withheld from an authorised contact or biological parent named on the enrolment form unless a current court order is on file at the Service
- in the case of a particular person (including a biological parent) being denied access to a child, the Preschool requires a written notice (court order) from a court of law.
 - educators will attempt to prevent that person from entering the Preschool and taking the child however, the safety of other children and educators must be considered.

- educators will not be expected to physically prevent any person from leaving the Preschool
- in such cases, the parent with custody will be contacted along with the local police and appropriate authorities
- where possible the educator will provide police with the make, colour, and registration number of the vehicle being driven by the unauthorised person, and the direction of travel when they left the service.
- a court order overrules any requests made by parents to adapt or make changes.
- in the case of a serious incident occurring, as described above, the regulatory authority must be notified within 24 hours through the [NQA IT System](#)
- Nominated Supervisor/Responsible Person will ensure that the authorised nominee pick-up list for each child is kept up to date. It is our policy that we do not allow anyone under the age of 16 to collect children
- if the person collecting the child appears to be intoxicated or under the influence of drugs, and educators feel that the person is unfit to take responsibility for the child, educators will:
 - discuss their concerns with the person, without the child being present if possible, and
 - suggest they contact another parent or authorised nominee to collect the child
 - follow procedures to protect the safety of children and staff as per Child Protection Law and Child Protection Policy
 - contact the Police and other regulatory authorities (Child Protection Hotline 132 111)
 - if an authorisation to collect a child is refused by the Preschool, it is best practice to document the actions for evidence to authorities (refer to *Refusal of Authorisation Register*).
- at the end of each day educators will check indoor and outdoor premises including all rooms and storage rooms, and storage sheds to ensure that no child remains on the premises after the Preschool closes
- children may leave the premises in the event of an emergency, including medical emergencies as outlined in our *Emergency Evacuation Policy*
- details of absences during the day will be recorded.

VISITORS

- to ensure we meet Work Health and Safety requirements and ensure a child safe environment, individuals visiting our Preschool must sign in when they arrive at the Preschool and sign out when they leave
- Visitors will not be left alone and unsupervised with children.
- all visitors must adhere to our *Handwashing Policy* and wash their hands upon arrival and departure of the Preschool.

LATE COLLECTION OF CHILDREN

- if there are children still present at the Preschool upon closing, it is best practice to ensure a minimum of two educators remain until all children are collected.
- Late fees will apply for late collection in accordance with QDPA's *Fee Policy*.
- if parents/guardians know that they are going to be late, they must notify the Preschool. If possible, they should make arrangements for someone else to collect their child.
- if they have not arrived by the cessation of their child's enrolled program, the Preschool will attempt to contact them via phone. If parents/authorised persons are unable to be contacted the Nominated Supervisor will call alternative contacts as listed on the enrolment form to organise collection of the child.
- due to licensing and insurance purposes, if by the cessation of the enrolled program, neither the parent or any of the authorised nominee are available or contactable, the Preschool may need to contact the police and other relevant authorities
- if the child is taken to an alternative safe location for example: Police Station, a sign will be displayed at the Preschool notifying parents/guardian of the child's whereabouts. If this occurs, the Preschool will be obligated to contact relevant Child Protection Agencies and notify the Regulatory Authority.
- where families are continually late to collect children, a *Late Collection of a Child letter* will be presented to parents/guardians
- should this non-compliance continue, the Preschool reserves the right to terminate a child's enrolment.

ILLNESS

Families are required to notify the staff if their child is diagnosed with an infectious/contagious illness or disease. In such cases, families will be required to follow the Staying Healthy (5th Edition) "Preventing infectious diseases in EC Education & Care Services."

If a child arrives at Preschool and is visibly unwell, the family will be asked to take the child home in accordance with our *Unwell Child Policy* and *Incident, Injury, Trauma, and Illness Policy*.

UNEXPLAINED ABSENCES

If a child does not attend preschool for two weeks, and there is no explanation for the absence, then the Nominated Supervisor will attempt to contact the parents/guardian.

If the parents/guardian cannot be contacted, and the fees have not been paid for the period of the absence, then the child’s name enrolment will be cancelled, and the position offered to the next child on the waiting list.

Session fees are required to pay preschool operating costs therefore fees need to be paid during absences including sickness and holidays which are taken during school terms.

CONTINUOUS IMPROVEMENT/REFLECTION

The *Delivery of children to, and collection from Education and Care Service Policy* will be reviewed on an annual basis in conjunction with children, families, educators and staff.
