## PURPOSE

To ensure that the confidentiality of information and files relating to the children, families, staff, and visitors using Preschool is upheld at all times. We aim to protect the privacy and confidentiality of all information and records about individual children, families, Educators, staff and management by ensuring continuous review and improvement on our current systems, storage, and methods of disposal of records. We will ensure that all records and information are held in a secure place and are only retrieved by or released to people who have a legal right to access this information. QDPA takes data integrity very seriously, we strive to ensure all records and data is protected from unauthorised access and that it is available to authorised persons when needed. This policy provides procedures to ensure data is stored, used and accessed in accordance with relevant policies and procedures.

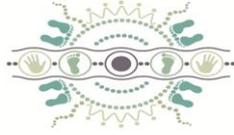

QDPA aligns with the [National Model Code](#) and guidelines for taking images or videos of children. (See Child Safe Environments and Technology Policies)

## SCOPE

This policy applies to children, families, educators, staff, management, approved provider, nominated supervisor, students, volunteers and visitors of QDPA.

## IMPLEMENTATION

Under National Law, Section 263, Early Childhood Services are required to comply with Australian privacy law which includes the *Privacy Act 1988* (the Act) aimed at protecting the privacy of individuals. Schedule 1 of the *Privacy Act (1988)* includes 13 Australian Privacy Principles (APPs) which all services are required to apply. The APPs set out the standards, rights and legal obligations in relation to collecting, handling, holding and accessing personal information.

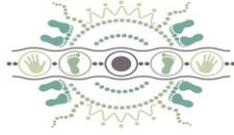

The Notifiable Data Breaches (NDB) scheme requires Early Childhood Services, Family Day Care Services, and Out of School Hours Care Services to provide notice to the Office of the Australian Information Commissioner (formerly known as the Privacy Commissioner) and affected individuals of any data breaches that are 'likely' to result in 'serious harm'. Businesses that suspect an eligible data breach may have occurred, must undertake a reasonable and expeditious assessment to determine if the data breach is likely to result in serious harm to any individual affected. A breach of an Australian Privacy Principle is viewed as an '*interference with the privacy of an individual*' and can lead to regulatory action and penalties. (Source: OAIC Australian Privacy Principles).

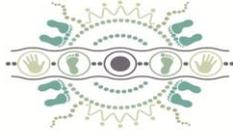

Further information about the APPs is included in Appendix 1 of this policy.

#### THE APPROVED PROVIDER/ NOMINATED SUPERVISOR/ MANAGEMENT WILL:

- ensure that obligations under the *Education and Care Services National Law and National Regulations* are met

## APPENDIX - 1

### The Australian Privacy Principals (APPs) outline:

- The open and transparent management of personal information, including having a privacy policy
- An individual having the option of transacting anonymously or using a pseudonym where practicable
- The collection of solicited personal information and receipt of unsolicited personal information including giving notice about collection
- How personal information can be used and disclosed (including overseas)
- Maintaining the quality of personal information
- Keeping personal information secure
- Right for individuals to access and correct their personal information

The APPs place more stringent obligations on APP entities when they handle 'sensitive information'. Sensitive information is a type of personal information and includes information about an individual's:

- Health (including predictive genetic information)
- Racial or ethnic origin
- Political opinions
- Membership of a political association, professional or trade association or trade union
- Religious beliefs or affiliations
- Philosophical beliefs
- Sexual orientation or practices
- Criminal record
- Biometric information that is to be used for certain purposes
- Biometric templates

### Australian Privacy Principles (APPs)

#### APP 1 – Open and transparent management of personal information

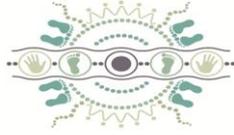

Ensures that APP entities manage personal information in an open and transparent way. This includes having a clearly expressed and up to date APP privacy policy.

#### APP 2 – Anonymity and Pseudonymity

Requires APP entities to give individuals the option of not identifying themselves, or of using a pseudonym. Limited exceptions apply.

#### APP 3 – Collection of solicited personal information

Outlines when an APP entity can collect personal information that is solicited. It applies higher standards to the collection of 'sensitive' information.

#### APP 4 – Dealing with unsolicited personal information

Outlines how APP entities must deal with unsolicited personal information.

#### APP 5 – Notification of the collection of personal information

Outlines when and in what circumstances an APP entity that collects personal information must notify an individual of certain matters.

#### APP 6 – Use or disclosure of personal information

Outlines the circumstances in which an APP entity may use or disclose personal information that it holds.

#### APP 7 – Direct marketing

An organisation may only use or disclose personal information for direct marketing purposes if certain conditions are met.

#### APP 8 – Cross-order disclosure of personal information

Outlines the steps an APP entity must take to protect personal information before it is disclosed overseas.

#### APP 9 – Adoption, use or disclosure of government related identifiers

Outlines the limited circumstances when an organisation may adopt a government related identifier of an individual as its own identifier or use or disclose a government related identifier of an individual.

#### APP 10 – Quality of personal information

An APP entity must take reasonable steps to ensure the personal information it collects is accurate, up to date and complete. An entity must also take reasonable steps to ensure the personal information it uses or discloses is accurate, up to date, complete and relevant, having regard to the purpose of the use or disclosure.

#### APP 11 – Security of personal information

An APP entity must take reasonable steps to protect personal information it holds from misuse, interference and loss, and from unauthorised access, modification or disclosure. An entity has obligations to destroy or de-identify personal information in certain circumstances.

#### APP 12 – Access to personal information

Outlines an APP entity's obligations when an individual request to be given access to personal information held about them by the entity. This includes a requirement to provide access unless a specific exception applies.

#### APP 13 – Correction of personal information

Outlines an APP entity's obligations in relation to correcting the personal information it holds about individuals.
